*Group Reservations Fax: (808) 944-6839 -- Please fax the attached form with your credit card information OR mail it to the hotel with a check for one night deposit -- this is absolutely the best way to be sure you are included in the group rate. If you are not staying at the hotel as a member of our group, please be prepared to pay a \$100 meeting fee.*

The August 1997 meeting of X3T11 is being held in Hawaii in order to foster communication with engineers from Japan, Taiwan and the Pacific Rim. This mechanism has been used by several IEEE groups and has been highly successful. We plan our meeting in Honolulu proper -- about 7 miles from the Honolulu International airport -- to make such a location convenient and businesslike.

Please note that several room rates are available; the lower Kona Tower rate is available for a **standard** room on a space available basis and has been kept as low as possible given the quality of the hotel, the location and the number of meeting rooms that we need. The block of rooms held for us is at the Waikiki Tower - Mountain View rate. These rates are non-commissionable to travel agents so please deal with the hotel directly. I have provided a form to fax back to the hotel to make this as simple as possible.

**GROUP ROOM RATES:**

Kona Tower:	\$110-	"City View" -- Standard Room w/ 2 Twins or 1 Queen
Waikiki Tower	\$132-	"Mountain View" -- 2 Doubles, Balcony
Waikiki Tower	\$142-	"Ocean View" -- 2 Doubles, Balcony

In addition, Hawaii State Tax will be charged at 10.16%. Parking for hotel guests is available at \$8.00/day with in/out privileges. (However you probably don't really need a car.)

**GROUP NAME: Hitachi / X3T11 Group**

**Room Block Cut Off Date: July 2, 1997.**

After this date the Group Rates are still available but on a "space available" basis.
